I, Kevin Mathewson appearing pro-se specially and with the sole purpose of requesting that William Duffin please allow defendant's to be heard before making rulings. The court ignored this defendant's arguments. As a pro-se client, for now, I cannot e-file and must mail all proceedings. Therefore, to give my arguments consideration, the court must wait several days before ruling. I also request a non-magistrate Judge, and or substitution of William Duffin

Respectfully submitted,

Kevin Mathewson
